## THE D9 FOUNDATION

Founded in 1994 by teachers and community members, the D9 Foundation is committed to providing resources to help our students pursue their dreams.

With your support, we:

- Provide a scholarship to **EVERY** Eagle Point graduating senior or GED recipient who applies.
- Provide **ESSENTIAL FUNDING** for special student programs that go beyond what tax revenues can support – such as dental screenings for all elementary and middle school students.

Our Annual Benefit Weekend and Golf Tournament is the main fundraising vehicle for the D9 Foundation. We sincerely thank you for your generous support.

*We receive thank you notes from every scholarship recipient, such as this one:*

"I greatly appreciate your consideration and commitment to students at Eagle Point High School who are seeking a higher education. Your donation to my education will enable me to attend Oregon State University, major in Biotech Health Sciences, and one day become a Physician Assistant. On behalf of the class of 2021, I'd like to thank you for your commitment and generosity to our community.
